Upon enrollment, we will round your debit card purchases to the nearest dollar and transfer from the Debit account above to the Credit account. We may cancel or modify the Hometown Roundup Saver service at any time without prior notice.

We aggregate the round-up from purchases that POST to your checking account each business day and make a single transfer to the Credit account. If on a business day you do not have sufficient available funds in your Debit account, or if any transaction has overdrawn your account, we do not round up purchases posted on the business day and we cancel the transfer for that day. If a qualified transaction is returned, the transfer to the Credit account will not be reversed.

By signing below, I understand the terms of the Hometown Roundup Saver.
